Lukita Iswara

I am an AI enthusiast with a strong foundation in AI, Machine Learning, Deep Learning, Computer Vision, and AI in gaming. While I am in the early stages of my career, my passion for AI technologies fuels my desire to learn and contribute to the field. I am actively seeking entry-level opportunities to apply my knowledge and continue developing my skills while making a meaningful contribution to the team's goals. Suppose you are looking for a motivated individual dedicated to growing within the AI field and eager to learn and contribute.
